

Tax Adjustments and Credits

A Tax adjustment and credits

Complete Part A if you are making a tax adjustment for a single payment or claiming a foreign tax credit or a tax credit for the beneficiary of a designated trust.

Income tax on taxable income (line 401 of your return)

Tax adjustment for a single payment accrued to December 31, 1971 (see line 402 in the guide)

Add lines 401 and 402.

Non-refundable tax credits (line 399 of your return)

Foreign tax credit (see line 409 in the guide). **Complete form TP-772-V.**

Tax credit for the beneficiary of a designated trust

Add lines 406 through 411.

Subtract line 412 from line 405.

Carry the result to line 413 of your return. If the result is **negative**, enter a minus sign (-) before the amount.

B Adjustment of income tax payable

Complete Part B if you are:

- carrying over alternative minimum tax from a previous year;
- required to pay alternative minimum tax; or
- claiming the deduction for logging tax.

Amount from line 430 of your return

Amount from line 431 of your return

Subtract line 11 from line 10. If the result is **negative**, enter 0.

Alternative minimum tax carry-over (see line 432 in the guide)

Subtract line 13 from line 12. If the result is **negative**, enter 0.

Alternative minimum tax, according to form TP-776.42-V (see line 432 in the guide)

Enter the amount from line 14 or line 15, whichever is **greater**.

Deduction for logging tax (see line 432 in the guide)

Subtract line 17 from line 16. Carry the result to line 432 of your return.

C Property tax refund for forest producers

Complete Part C if you are a forest producer and in 2025 you were actively engaged in developing your woodlots (see line 462, point 5, in the guide). You can claim a refund for all your assessment units whose total forest area is registered.

Total eligible development expenses for 2025 for all your assessment units (according to a forest engineer's report)

Unused portion of your eligible development expenses (see the guide)

Add lines 21 and 22.

Calculation for each assessment unit

Complete lines 26 through 30 for each assessment unit. If you have more than one unit, attach a sheet containing the required information.

Property taxes **paid in 2025** and not refunded (for the unit)

Value of the land

Total value of the unit

Multiply line 26 by line 29.

Total eligible property taxes for all assessment units

Total of the amounts on line 30 for **all** your assessment units

Property tax refund for forest producers

Enter the amount from line 23 or line 31, whichever is **less**.

Multiply line 32 by 85%.

Carry the result to line 462 of your return.

Property tax refund for forest producers =
