Age Definitions

Infant: A child six (6) weeks of age through twelve (12) months of age

Preschool: A child aged three (3) years plus one day to age five (5), who has not yet entered kindergarten

Toddler: A child aged twelve (12) months plus one (1) day through thirty-six (36) months of age

School: A child five (5) years plus one day or older in full day schooling, up to thirteen (13) years of age. If a child has documented special needs, the end date goes up to nineteen (19) years of age

Hour Definitions

Full time: 30-50 hours weekly

Part time: 1-29 hours weekly
