	Section No./Name	O-200-DSNAP Implementation
	Document No./Name	O-280-DSNAP Disaster Response Monitoring
	Effective Date	January 1, 2010

A Quality Assurance (QA) Team will be responsible for monitoring the parish office procedures established for emergency operations after a disaster occurs. The purpose of this team will be to conduct review activities aimed at ensuring program integrity in the DSNAP. The team will be comprised of Quality Control (QC) and Fraud & Recovery Section (FRS) staff. The QA Team will be present at each DSNAP application/issuance location. The QA Team will:

- Observe the internal processes of the local office for accepting and processing DSNAP client and/or employee applications to ensure proper DSNAP policy and procedures are being followed,
- Monitor data entry of DSNAP applications and EBT card issuance by reviewing the internal processes at the site,
- Monitor process and procedures for completed DSNAP applications,
- Monitor process, procedures, and security of EBT card stock reconciliation and returned DSNAP cards,
- Provide guidance and direction to DSNAP site managers to identify any questionable or suspected fraudulent applications,
- Provide guidance and direction to DSNAP site managers on proper procedure for referral of suspected fraud,
- Participate in daily briefings and conference calls (designated QA Director/Supervisor),
- Review all DSNAP employee applications. If all employee applications cannot be reviewed prior to benefits issuance, the certifications must and will be reviewed as soon as possible following the conclusion of the DSNAP, in accordance with federal regulations, and
- Provide reports of external and internal findings to State Office and/or designated authority.
