The Social Security Administration will report through the SDX match if the individual:

- Is no longer eligible for SSI,
- Is no longer in living arrangement code “A”,
- Moves out of state,
- Becomes institutionalized, or
- Dies.

These individuals will no longer be eligible for LaCAP and their cases will be automatically closed and automated notices sent, if appropriate. These cases will appear on INFOPAC report LAMR61P3, “Cases Automatically Closed-No Longer Eligible For LaCAP”.

Households may, but are not required, to report changes in their circumstances. However, if the household reports a change, the worker must take action on the reported change.
