When a client offers repayment on a claim, review the Recovery Account System to determine whether there is an active account.

If a claim has been established on the Recovery Account System, repayment can be made:

- Through EBT with the Louisiana Purchase Automated Benefit Card by debiting the account (refer to Chapter 3, * [J-150](#), ** Electronic Repayment Of Claims)
- By check or money order made payable to DSS, Office Of Family Support. Mail the payment in an envelope to the Fraud And Recovery Section, P.O. Box 91147, Baton Rouge, La. 70821-9147.

If there is not an established claim on the Recovery Account System, repayment can be made by sending to Fraud And Recovery:

- A check or money order, made payable to DSS, Office Of Family Support, and
- A completed form [OFS 20CD](#).

Electronic repayment of benefits must not be used when there is a voluntary return of benefits and there is no established claim.

Repayment should not be accepted if the amount to be repaid is below the threshold for recovery. (refer to Miscellaneous Issuances Manual O-004.).
