I. STATEMENT OF POLICY

* During the Disaster Supplemental Nutrition Assistance Program (DSNAP) application period, applications are accepted by telephone, when applying virtually, or in-person, if applying at the local parish office or designated DSNAP application site. An interview must be completed, and, if determined eligible, receive a DSNAP EBT card.

If an **Authorized Representative (AR)** is applying on behalf of a household:

- A written statement naming the **AR** must be signed by the head of household, or any other responsible household member and provided at **the time of an in-person** application
- A verbal statement naming the AR and giving permission for the AR to be interviewed must be given by the head of household, or any other responsible household member, if the AR completes an online application and is interviewed virtually.

In the event that an applicant is applying in person **at a local office or at a designated DSNAP application site** and the DSNAP worker portal is unavailable, the household must apply using the paper application, **DIS 1**. If the applicant speaks Spanish or Vietnamese, the **DIS 1 SP** or **DIS 1 VN** paper applications is used. The household information on the paper application must be entered in the DSNAP Worker Portal as soon as it is available. If the AR is applying, the Head of Household signs the application naming the Authorized Representative.

If an applicant's DSNAP application was denied and the applicant's circumstances changed after the application was filed, the applicant can make necessary changes to the application and must reapply for an eligibility determination to be made. Such applications must be reviewed and approved by a member of the Quality Assurance Team prior to certification.

The DSNAP application must be submitted during the DSNAP application period authorized by FNS. If a DSNAP application is submitted outside of the DSNAP application period, it must be rejected. In these situations, the applicant should be advised that he **may** apply for regular SNAP benefits.

Note: An alternate version of the application form, the **DIS 1A**, will be used in place of the **DIS 1** when the DSNAP is administered using a Standard Disaster Expense **and the DSNAP Worker Portal is unavailable ****. Staff will be notified of the appropriate application form to use when the DSNAP is implemented.
