I. STATEMENT OF POLICY

The STEP * referral will be closed in LITE through an automated disenrollment process on the last workday of the first month in which the client does not receive FITAP benefits when: **

- The FITAP case is closed, or
- The participant is removed from the FITAP certification due to receipt of SSI benefits or failure to meet citizenship requirements.

* Exception: A manual STEP referral will not be closed in the disenrollment process until after the eligibility decision has been authorized. This process allows a sanctioned FITAP applicant to participate in STEP to cure their STEP sanction while the FITAP application is pending. **

II. PROCEDURES

Participants must be given advance notice of termination of supportive services.

The Transition Resource Letter (form OFS 8) is system-generated and mailed automatically at FITAP closure.
