I. STATEMENT OF POLICY

The maximum allowable resources of all members of the household shall not exceed.

- * \$4,500 for households which include at least one member age 60 or over or a member who is disabled.
- \$3,000 for all other households.

The resource test is not applied to SNAP households that are traditional or Broad-Based categorically eligible. (Refer to policy at [E-280-SNAP](#).)

Count only the equity value of countable resources. The equity value is the fair market value less encumbrances (liens or claims).

Countable resources are the resources that are available:

- At the time of the application interview, or
- When the household submits the redetermination.

II. PROCEDURES

Allow the following maximum resources:

- \$4,500 for households which include at least one member age 60 or over or a member who is disabled.
- \$3,000 ** for all other households.

Do not apply the resource test to SNAP households which are traditional or Broad-Based categorically eligible. (Refer to policy at E-280-SNAP.)

Count only the equity value of countable resources.

III. FORMS AND INSTRUCTIONS

There are no forms and instructions associated with this policy.
