
**DEPARTMENT
POLICY****Family Independence Program (FIP), State Disability Assistance (SDA), Refugee Cash Assistance (RCA), Child Development and Care (CDC), Medicaid (MA) and Food Assistance Program (FAP)**

The Michigan Department of Health and Human Services (MDHHS) routinely matches recipient data with other agencies through automated computer data exchanges. Information provided with MDHHS applications (MDHHS-1010, -4574, -4574-B, MDHHS-1171, and DCH-1426) inform clients of the data exchange process.

OVERVIEW

The Public Assistance Reporting Information System (PARIS) Interstate match is a quarterly data matching service used to help determine if a client has received duplicate benefits in two or more states. Bridges applies a matching criterion to determine a PARIS match with all active recipients. A valid match will create a PARIS record on the PARIS Interstate Match Inquiry screen. A task and reminder will be received for each case identified. The task and reminder is removed when the match has been disposed.

**When to process
for FAP****FAP**

If FAP is the only program active, the PARIS match is held and addressed at the next semi-annual, mid-certification or redetermination (whichever comes first).

**Reconciling
Discrepancies****FIP, SDA, RCA, CDC, MA and FAP**

Reconcile the match on the alert by reviewing the case to determine if the information has already been verified. If not, request verification by generating a DHS-4600, Out of State Benefit Match Notice. When a DHS-4600 is requested, Bridges automatically gives the client 10 calendar days to provide verification from the date the form was requested.

Case Actions**All Programs**

If out of state benefit information was verified prior to the match, the match can be disposed without further case action.

If the DHS-4600 or verification are returned, enter appropriate information in Bridges and dispose of the match.

FAP Only

If FAP is active with another program and the PARIS match is returned, it can be acted on. However, FAP cannot be closed for failure to provide the PARIS match information if the match is held.

Failure to Provide**FIP, SDA, RCA and MA**

If verifications are not returned by the VCL due date, case action will need to be initiated to close the case in Bridges.

CDC Only

Do not close the CDC EDG or reduce benefits during 12-month continuous eligibility for a CDC recipient who fails to return PARIS Match verification.
