

CAPS Family Fee

The CAPS program assesses family fees to allow families to share in the cost of their child care expenses. Family fees are based on a percentage of a family's annual gross applicable income. The assessed fee is a family fee for all children in care, not a fee for each child. It is paid by the parent directly to the child care provider.

Family fee:	No family fee	3% of income	5% of income	7% of income

Income ranges are determined as follows:

Ratio of income to poverty:	10% or less	Over 10% to 50%	Over 50% to 100%	Over 100%
-----------------------------	-------------	-----------------	------------------	-----------

Based on 2026 poverty guidelines issued by the U.S. Department of Health and Human Services

Weekly family fee = annual gross applicable income x .03, .05, or .07 (3, 5, or 7%), divided by 52 weeks, rounded down to whole dollar amount.

The resulting family fee will be divided among all children in care.
