

Amount for Dependants and Amount Transferred by a Child Pursuing Studies

A Amount for a child under 18 enrolled in post-secondary studies (see line 367 in the guide)

If the child was born after **December 31, 2007**, and in 2025 was a full-time student pursuing vocational training at the secondary level or post-secondary studies, complete the table below.

If you are claiming an amount for more than three children, attach a sheet containing the required information and carry the result of your calculations to line 22.

If you are **splitting** the amount for a child under 18 enrolled in post-secondary studies with another person, enter their social insurance number.

Social insurance number

1

	1	2	3
Child's last name	2		
First name	3		
Social insurance number	4		
Date of birth (YYYY MM DD)	5		
Relationship to you	6		
Amount for post-secondary studies, <i>RL-8 slip, box A</i> (maximum \$7,646)	7		
Dependent child's income			
Amount from line 275 of the child's return	10		
Amount from line 236 of the child's return	+ 12		
Add lines 10 and 12.	= 14		
Scholarships, bursaries or any similar financial assistance reported on line 154 of the child's return	- 16		
Subtract line 16 from line 14.	= 18		
If the result is negative , enter 0.			
Subtract line 18 from line 7.			
If the result is negative , enter 0.	21		
Add all the amounts on line 21.			
Carry the result to line 367 of your return.			
Amount for a child under 18 enrolled in post-secondary studies			22

B Amount transferred by a child 18 or over enrolled in post-secondary studies (see line 367 in the guide)

A child born **before January 1, 2008**, who in 2025 was a full-time student pursuing vocational training at the secondary level or post-secondary studies can transfer the unused portion of the basic tax credit to their father or mother (as a recognized parental contribution). **The child must file an income tax return and complete Schedule S** to calculate the amount they can transfer and to designate the recipient(s) of the transfer.

If a child is transferring an amount to you, complete the table below.

If more than three children are transferring an amount to you, attach a sheet containing the required information and carry the result of your calculations to line 29.

	1	2	3
Child's last name	23		
First name	24		
Social insurance number	25		
Date of birth (YYYY MM DD)	26		
Relationship to you	27		
Amount transferred to you by the child (lines 20.1 and 20.2 of the child's Schedule S)	28		
Add all the amounts on line 28. Carry the result to line 367 of your return.			
Amount transferred by a child 18 or over enrolled in post-secondary studies			29

C Amount for other dependants (see line 367 in the guide)

Complete the table below only if your dependants were born **before January 1, 2008**.

If you are claiming an amount for more than two dependants, attach a sheet containing the required information and carry the result of your calculations to line 56.

NOTE

You cannot claim an amount for your spouse or for a child who is transferring, in their 2025 return, an amount as a child 18 or over enrolled in post-secondary studies.

If you are **splitting** the amount for other dependants with another person, enter their social insurance number.

Add all the amounts on line 54.
Carry the result to line 367 of your return.

Amount for other dependants

56

D Tax credit for tuition or examination fees transferred by a child

A student can transfer the unused portion of the tax credit for tuition or examination fees **paid for the year** to one of their or their spouse's parents or grandparents.

The child must file an income tax return and complete Schedule T to calculate the amount they can transfer and to designate the recipient of the transfer.

If a child is transferring an amount to you, complete the table below.

If more than three children are transferring an amount to you, attach a sheet containing the required information and carry the result of your calculations to line 70.

	1	2	3
Child's last name	60		
First name	61		
Social insurance number	62		
Date of birth (YYYY MM DD)	63		
Relationship to you	64		
Amount transferred to you by the child (line 68 of the child's Schedule T)	65		

Add all the amounts on line 65. Carry the result to line 398.1 of your return.

Tax credit for tuition or examination fees transferred by a child

70

Enclose this schedule with your return.

If you want to keep a copy for your records, see the guide.
