I. STATEMENT OF POLICY

* Provide the appropriate language form for the language spoken by the DSNAP applicant. **

O-351-DSNAP - PO DSNAP * PAPER ** APPLICATION

* O-351-1-DSNAP - PO Actual Disaster Expenses **

If the DSNAP Worker Portal is unavailable, the * Application for Disaster Supplemental Nutrition Assistance (DIS 1) ** must be completed for every DSNAP application ***. * The [DIS1](#) requires the applicant to make his own statement to the Department of Children and Family Services concerning household situation, income, resources, disaster-related expenses and other information needed to determine eligibility for DSNAP. If a paper application is completed, a ** [DSNAP Application Worksheet \(DIS 2\)](#) is * also required to be completed to determine the applicant's eligibility for DSNAP benefits. The [DIS 2](#) ** is not required to be completed if DSNAP ineligibility can be determined without completion of the [DIS 2](#) (e.g., household already receives benefits under the regular SNAP; household was not residing in disaster area at time of disaster, etc.).

* O-351-2-DSNAP - PO Standard Disaster-Related Expenses

An alternate version of the [DIS1](#), Application for DSNAP-SDE ([DIS 1A](#)) will be used when the DSNAP is administered using a Standard Disaster Expense and the Worker Portal is unavailable. If a paper application is completed, a DSNAP Application Worksheet ([DIS 2A](#)) is also required to be completed. ** The household's unreimbursed disaster-related expenses must be \$100 or more in order to qualify for the Standard Disaster Expense Deduction.

O-352-DSNAP - PO DSNAP * INFORMATIONAL FORMS **

* The following forms provide the DSNAP applicant with necessary information:

[DIS 7, Information About the DSNAP](#) provides a brief description of the DSNAP, including the disaster benefit period; how to qualify for benefits; an explanation of household composition, disaster-related expenses, income, and accessible resources; the income guidelines; and verification requirements. This form is not required to be provided to each DSNAP applicant.

[DIS 7A, Information About the DSNAP-SDE](#) provides a brief description of the DSNAP except an explanation of disaster-related expenses, as this form is only utilized when the DSNAP is administered using a Standard Disaster Expense. This form is not required to be provided to each DSNAP applicant.

[DIS 9, Rights and Responsibilities Flyer](#) explains and informs the DSNAP applicant of their rights and responsibilities and to inform them of the penalties for giving false information. This form must be provided to each DSNAP applicant.

[DIS 12, Voter Registration Declaration Statement](#) records the applicant's declaration to register to vote. The form must be given prior to the DSNAP application interview. If the applicant declines to sign the statement, the worker should indicate under the remarks/comments section that the person declined to sign. The form must be maintained at the DSNAP site during the DSNAP and returned to the local parish office after the DSNAP site is closed. The form is only needed for online applications, as it is included in the paper application, [DIS 1](#).

[DIS 15, DSNAP Benefit Information](#) provides DSNAP benefit information and provides EBT card use training to recipients. Use of the EBT card must be explained to the applicant prior to issuing the applicant's DSNAP EBT card. This form must be provided to each person issued a DSNAP EBT card.

O-353-DSNAP - PO DSNAP FORMS TO BE SIGNED BY APPLICANT

[DIS 1 ATT, DSNAP Attestation](#) is a form to be signed by the DSNAP applicant after the conclusion of the DSNAP interview certifying they understand the questions on the application and the penalties for giving false information. The signed form also certifies that the information given is true, complete, and correct and they are authorizing the release of information to DCFS by anyone having knowledge of their circumstances to verify the information.

[DIS 14, DSNAP Affidavit of Disaster Loss](#) is used for regular SNAP households to report an adverse effect related to a disaster. This form is only needed when supplemental benefits are requested during a disaster and the SNAP households must certify the household experienced an adverse effect as a result of the specific disaster. This form is updated for each supplemental disaster request once approval from FNS is received.

O-354-DSNAP - PO DSNAP NOTICES

The [DIS 13 – Disaster SNAP Notice of Decision](#) must be given to each applicant once eligibility has been determined.

If the DSNAP application is approved and it is necessary to mail the EBT card to the applicant, complete the [DIS 13 – Disaster SNAP Notice of Decision](#) and provide it to the applicant by mail. The EBT card should only be mailed when it is not possible to provide the card to the applicant in person (e.g., applicant evacuated out of state after applying for DSNAP but before being certified). **
