

Funding for LIHEAP is contingent on the receipt of federal funds and the amount authorized varies from year-to-year. Benefit amounts are estimated and reserved for the three components of LIHEAP administered by OKDHS on a yearly basis after the amount of available funding is known. Benefit amounts may be adjusted according to changes in available funding or anticipated need at the end of the application period.

To determine maximum income and resource levels for LIHEAP, use OKDHS:

[Appendix C 7, Low Income Home Energy Assistance Program Income and Resource Level by Household Size.](#)

Winter Heating Program

A designated LIHEAP winter heating application period is opened each year federal funds are issued and runs until reserve funding is spent. Refer to Oklahoma Administrative Code (OAC) [340:20-1-19](#) for program details.

When Payment is Made to Utility Company for Natural Gas, Electricity, Wood, or Coal

Net Income	Household size 1-3	Household size 4-6	Household size 7+
\$0 - \$400	\$365	\$402	\$430
\$401 - \$700	\$265	\$292	\$312
\$701 - ineligible	\$235	\$259	\$277

When Payment is Made to Utility Company for LP Gas, Kerosene, or Heating Oil

Net Income	Household size 1-3	Household size 4-6	Household size 7+
\$0 - \$400	\$425	\$468	\$500
\$401 - \$700	\$350	\$385	\$412
\$701 - ineligible	\$280	\$308	\$330

When Heating Cost is Included in Rent: Renter - All Energy Sources

Net Income	Household size 1-3	Household size 4-6	Household size 7+
\$0 - \$400	\$150	\$165	\$180
\$401 - \$700	\$110	\$120	\$135
\$701 - ineligible	\$100	\$110	\$125

When Heating Cost is Included in Rent: Roomer - All Energy Sources

Net Income	Household size 1-3	Household size 4-6	Household size 7+
\$0 - \$400	\$70	\$0	\$0
\$401 - \$700	\$50	\$0	\$0
\$701 - ineligible	\$40	\$0	\$0

Summer Cooling Program

A designated LIHEAP summer cooling application period is opened each year federal funds are issued and runs until reserved funding is spent. Refer to [OAC 340:20-1-20](#) for program details.

Household size	Net Income	Benefit amount
1	\$0 - \$700	\$500
1	\$701 - ineligible	\$385
2 or more	\$0 - \$700	\$650
2 or more	\$701 - ineligible	\$425

Payment amount for purchase or repair of cooling equipment: actual cost of purchase or repair not to exceed \$150 for all household sizes.

Energy Crisis Assistance Program (ECAP)

Per [OAC 340:20-1-17](#), ECAP has a regularly scheduled application period in March each year. ECAP funds are approved only to prevent disconnect, restore service, or provide a minimum delivery of propane or other heating fuel. ECAP may also be approved year round on a case-by-case basis for households experiencing an energy crisis that involves a verified life-threatening medical crisis and when a federally declared disaster occurs and disaster LIHEAP is authorized by the Administration for Children and Families Office of Community Services. When the household applies for ECAP more than once in the same fiscal year, the maximum benefit for all applications combined cannot exceed the amount shown below.

Household size	Income	Benefit amount
1 or more	\$0 - ineligible	Minimum amount necessary to prevent cutoff or restore services up to \$750
